

**Project Location**

Waterville, Maine

**Delivery Method**

Construction Manager

**Designer**

Harriman Associates

**Project Size**

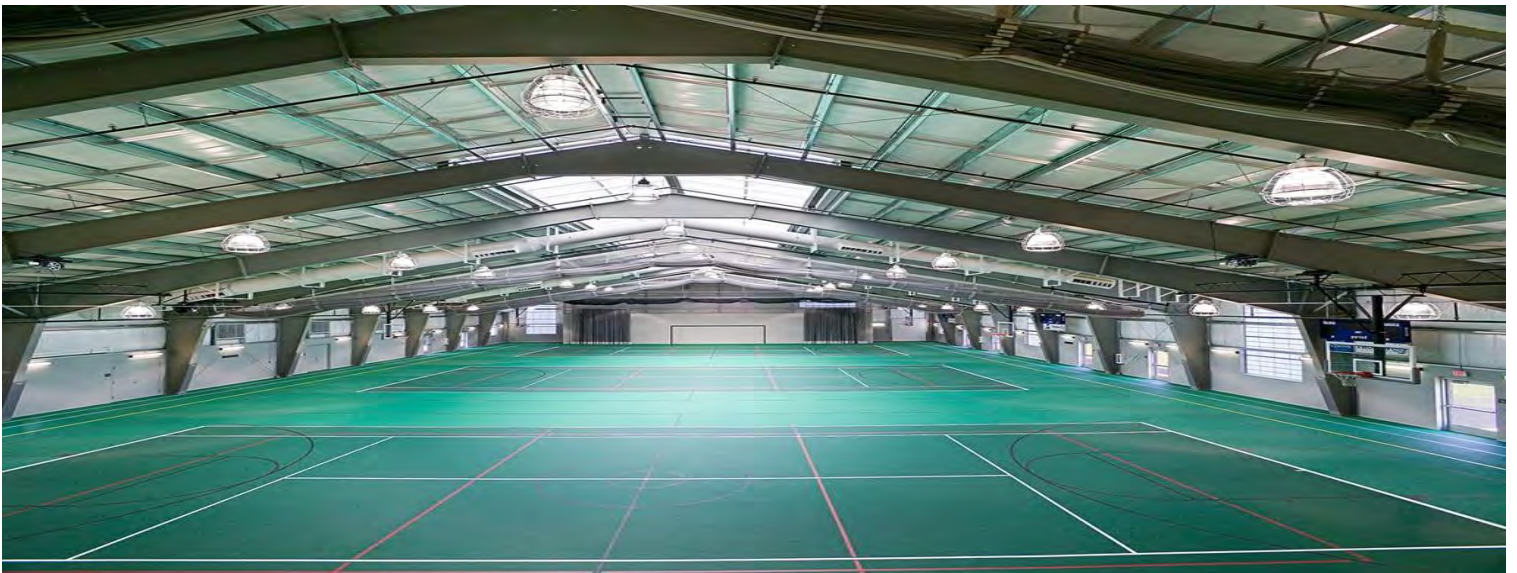

35,000 sf

At Thomas College, Sheridan has built a new 35,000-square-foot athletic center.

This new facility includes an exterior running track, as well as 3 multipurpose courts on the interior of the track. Additionally included in this building is office and storage space, locker rooms, and a weight room.

This multi-purpose facility has served wonders for the community over the last several years. Thomas has hosted many community events over the course of time following the completion of the Harold Alfond Athletic Center.

**Building on our promise.**
