

Thomas College

Ayotte Center

Project Location

Waterville, Maine

Delivery Method

Construction Manager

Designer

PDT Architects

Project Size

10,330 sf

Thomas College partnered with Sheridan Construction to expand their already outstanding campus.

Sheridan was the Construction Manager throughout the building process of this new 300-seat auditorium.

This project features state-of-the-art digital technology, lighting and audio systems, intricate control systems, control room, and an upper mezzanine level. The Ayotte Center also includes multiple classrooms, and offices throughout the building.

Building on our promise.
