

Ragged Coast Chocolates

Chocolate Factory

Project Location

Westbrook, Maine

Delivery Method

General Contractor

Designer

Design Group Collaborative

Project Size

3,800 sf

The Sheridan Corporation has converted a former brick industrial building into the new location for Ragged Coast Chocolates.

This new 3,800-square-foot renovation features sheet vinyl flooring, FRP walls, and stainless steel kitchen areas. Additionally, an upgraded HVAC system, with precise humidity control was installed to create a stable, more consistent environment for the chocolatiers.

Building on our promise.
